Cap

A close-up photograph of a grey Mammut Hardshell jacket. The jacket features a silver-colored zipper running vertically down the center. The brand name "MAMMUT" is printed in white, bold, uppercase letters on the left side of the chest. The jacket has a high collar with black drawstrings and toggles at the top. The fabric appears to be a technical, woven material.

MAMMUT

Hardshell

A all-round hardshell jacket keeps you dry on all your adventures, both the casual strolls through the city and the active pursuits in the mountains. The durable, functional jacket with 3-layer Mammut DRYtechnology™ Pro is breathable, waterproof and PFC-free. Its the ideal companion in all kinds of weather.

Corporate SO Hooded Jacket

A robust softshell jacket with hood that can be used all year round for everyday use. The breathable, 3-layer material with membrane is windproof and at the same time guarantees optimal moisture transport. The light 4-way stretch fabric is comfortable to wear and offers a lot of freedom of movement.

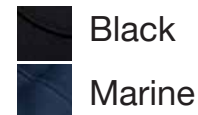

The outer fabric consists of 30% recycled material and is impregnated without PFC. The high-quality jacket is very durable and therefore environmentally friendly.

The reduced cutlines allow to place the company logo as desired alongside the subtle, tonal Mammut branding.

We will offer this style and colorway for a minimum of 4 years.

- 2 Side Pockets
- Chest pocket for men
- Adjustable draw cord hem
- Adjustable hood

MAMMUT

Insulator

Featuring a highly technical synthetic fiber fill, the Insulator is just as warm as the leading down jackets of its weight class but comes with one crucial advantage: maintained insulation performance even in damp conditions.

Insulator Men

Available sizes: S – 4XL

Mtn Pro 2.0 IN Jacket Men

Insulator Women

Available sizes: XS – 3XL

Mtn Pro 2.0 IN Jacket Women

Mtn Pro 2.0 IN Jacket

Featuring a highly technical synthetic fiber fill, the MTN Pro 2.0 IN Jacket is just as warm as the leading down jackets of its weight class but comes with one crucial advantage: maintained insulation performance even in damp conditions.

Designed for both everyday and professional use, its durable ripstop face fabric makes it an excellent choice as an outer layer. Boasting a PFC-free durable water-repellant coating, it also helps keep you dry in unfavorable conditions.

A reliable insulating layer for mountain professionals, the MTN Pro 2.0 IN Jacket got its name for a reason.

- Rip-stop face fabric
- G-Loft insulation
- 2 Side Pockets
- 1 Chest Pocket

Corporate Backpacks

Corporate Backpacks

Corporate Xeron 15

Corporate Xeron 25

Corporate Lithium 20

Corporate Xeron 15

The Xeron 15 is a Mammut classic. A high-end daypack that is a tribute to our Mammut heritage. Unique details and a distinctive design characterize the product in the Xeron range. The Xeron 15 features a wide buckle and a linear design. For corporate customers available in the special phantom colorway. Mammut's founding year is embossed on its back, the inside is in a light grey lining.

Xeron 15 – a comfortable high-quality daypack with practical features for everyday use.

The design allows for customization with your logo on the front panel.

- 15 Liter volume
- Integrated laptop compartment
- Internal organizer compartments
- Zip pocket with key clip
- anatomically shaped, soft padded shoulder straps
- black Mammut branding
- Space for Company Logo

Corporate Xeron 25

The Xeron 25 is the daypack that combines everything we have aimed for since 1862. For corporate customers available in the special phantom colorway.

High-quality details and a unique design serve as a tribute to our MAMMUT heritage. Our founding year, 1862, is embossed on the back panel. A daypack that's always at your side.

The design allows for customization with your logo on the front panel.

- 25 Liter volume
- Integrated laptop compartment
- Internal organizer compartments
- Zip pocket with key clip
- anatomically shaped, soft padded shoulder straps
- Black Mammut branding
- Space for Company Logo

Corporate Lithium 20

The Lithium Speed 20 backpack is a true multi-talent. For corporate customers available in the special phantom colorway.

Thanks to its panel loader design, very lightweight materials and numerous features, the Lithium 20 is a suitable companion for pretty much everything from trail running and hiking to multi-pitch climbing.

The design allows for customization with your logo on the front panel.

- 20 Liter volume
- Super-lightweight, highly breathable EVA shoulder padding
- Zipper pocket on hip belt
- Trekking pole carrier
- Hydration system compatible
- Good back ventilation thanks to stamped EVA foam
- Main zipper Compartment
- Large front zipper pocket
- Forward-pull hip belt adjustment
- Zip pocket with key pocket
- Cell phone pocket
- Understated black Mammut branding

Mercury Low GTX Men

Colorado LTH Unisex

Known and popular for decades ... formerly under Raichle, today under Mammut.

Comfortable, soft and functional full leather work shoe. Ideal for machinists or generally as a work shoe.

- Robust, easy to maintain
- Breathable, leather lining
- Weight: 1860 g

Mercury Low IV GTX Men

The new and improved version of our bestseller combines all the features hikers are looking for on their tours.

The Mercury IV Low GTX has a flexible and grippy Vibram sole for optimum sure-footedness on day hikes. Damping 3D Memo Foam in the lining and insole as well as a breathable, waterproof GORE-TEX membrane ensure superlative comfort. High-quality terracare® nubuck leather gives the shoe stability and durability. The terracare® leather, sustainably produced in Germany, and GORE-TEX footwear 3L are bluesign®-certified to protect our environment.

Measurement

1. Chest measurement

Measure at the place with the biggest chest circumference. Right across the back.

2. Waist measurement

Measure at smallest waistline.

3. Hip measurement

Stand with closed legs and measure at the place with the biggest hip circumference. Keep measuring tape straight across the bottom.

4. Crotch length

Measure in a straight line from the crotch to underneath the ankle.

5. Circumference of the head

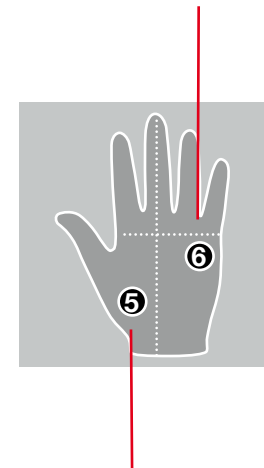

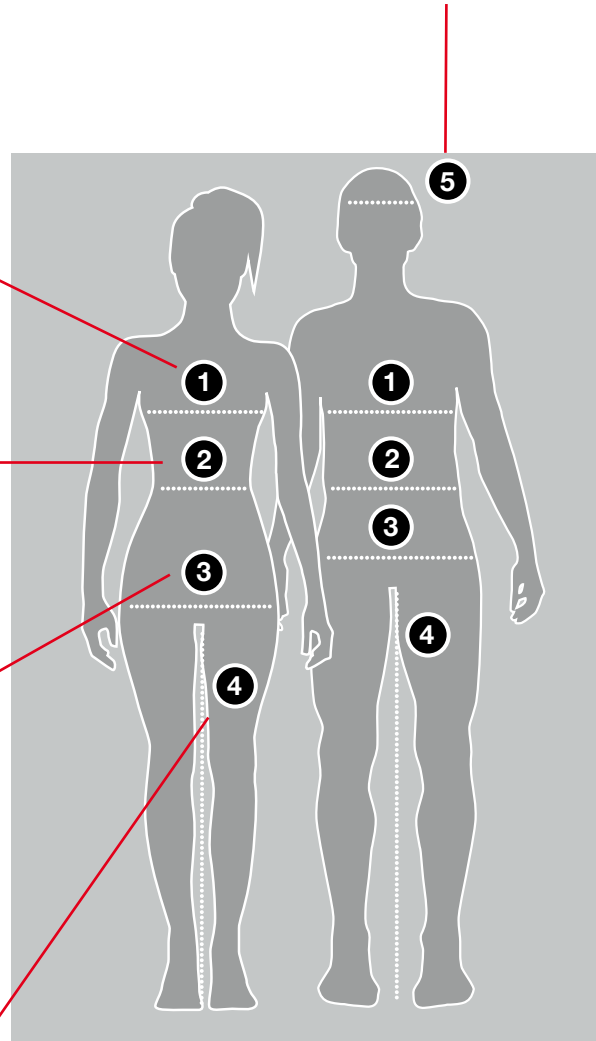

Measure at the widest point above the ears.

6. Hand length

Hold your hand out flat and measure a straight line from the base of the hand to the tip of the middle finger

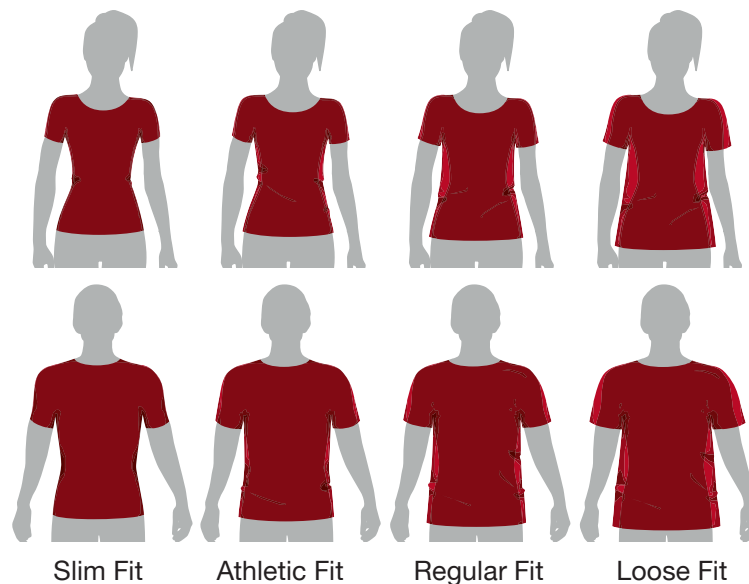

7. Hand circumference

Measure the circumference of the flat hand above the base of the thumb.

Top Fits

Mammut® supplies its tops in four different fits, from body-hugging and athletic to roomy and comfortable. As a result, all mountain sports lovers can find just the right top to match their body and activities. Some models have a longer cut to offer comfort for the different needs of various kinds of sportive activities.

Slim Fit:

Like a second skin,
Defined bodyshape, Body hugging

Material: Stretchable, Highly Stretchable

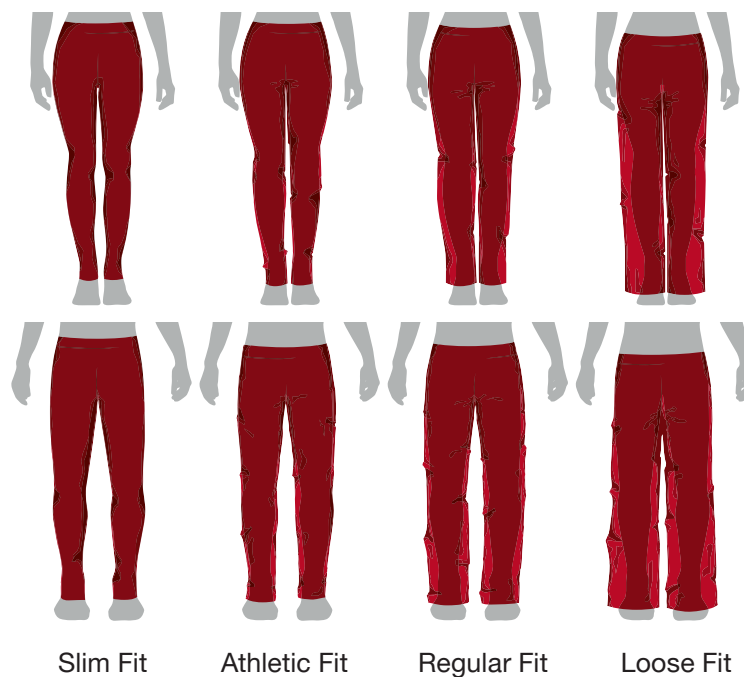

Athletic Fit:

Defined body shape, Body hugging,
Preshaped extremities, dynamic

Material: Stretchable, Highly Stretchable
Non stretchable

Bottom Fits

The wide collection of Mammut® pants is split into four different fits, from tight-fitting to loose and comfortable. Some models have a higher cut around the waist to offer this sensitive part of the body better protection against cold and wind.

Regular Fit:

Less body shape, Less accentuated
waistline, Comfortable

Material: Stretchable, Non Stretchable

Loose Fit:

Even less body shape, Casual and
comfortable, Loose and partially long cut

Material: Stretchable, Highly Stretchable

Corporate Collection Order Guidelines

MAMMUT CORPORATE COLLECTION offers industry-leading gear tailored to your company's unique needs. We bring our expertise into your workplace by supplying premium equipment for your team. Stand out by aligning your brand with Mammut's renowned products, designed since 1862 for excellence. We strive to work with businesses that value quality and innovation

Eligibility

For each order, we require disclosure as to the type of organization whose name will appear on the Corporate Collection product and how the product will be used.

If our eligibility criteria are not matched, we reserve the right to refuse service.

Minimum Order Quantities

Initial orders: Minimum of 50 units per model, including men's and women's styles and multiple colors. Subsequent orders: Minimum of 10 units.

Samples

Samples are available upon request. Payment by bank transfer is required in advance and is refundable upon return within 60 days if tags are attached and items are in resalable condition.

Product Selection/Availability

The products shown in this catalog are available for bulk purchase. Please contact a corporate sales representative for availability and lead times.

Payments, Refunds & Exchanges

Accepted payment methods: bank transfer

All purchases require 100% payment before delivery.

All sales are final; no returns or exchanges. Credit terms are available for applicants who qualify. Please contact your corporate sales representative for a credit application.

Returns, Exchanges, and Repairs

All returns, exchanges, and repairs must be pre-authorized by a corporate sales representative.

Ordering Info

For new customers, please contact your closest Mammut corporate sales representative listed under contact information, who can assist in completing a customer application. Returning customers can process their orders via our digital ordering tool. All orders are subject to acceptance and availability.
